Sir, It is pertinent to mention here that parity is maintained for Engg. Asstts, Technicians and several other cadres after they approached to various courts. Recently Hon'ble Supreme court of India and Hon'ble High Court of Delhi on dated 17.2.2011 passed an order in EA case that there should be one pay-scale of one cadre and there can not be separate classification of the pay-scale in two or three categories and such placement of scale of pay is absolutely arbitrary.

The employees belongs to above cadres are deprived of parity and promotion since their joining in the Department and denied the ACP/MACP in the name of up-gradation.

It is our earnest request to you to please intervene and grant parity to these low paid employees and also initiate to grant the ACP/MACP as the same is denied from Helpers to Technicians and other cadres on one pretext or other.

We have already requested you for meeting on several other issues, kindly provide us the same as per your convenience.

Thanking you
