

Dear friends,

The SLP, in Tech. Vs. LA case, filed by Govt against the Judgement of Honourable Chennai High court and our caveat are most probably going to be heard by honourable Supreme court on Monday or Tuesday i e on 17 or 18 July 2017. It was agreed on discussion to hire senior advocate Shri Jayant Bhushan ji for which we need around 3.5 Lakh rupees.

Hence, this is the collective responsibility of each member, specially Tech. & Sr. Tech, to contribute open heartedly in their zonal office ADTEA fund Acc. so that case may be defended properly. State level office bearers are requested to help accordingly for collection.

Zonal office bearers are requested to give detail of their fund position on my personal mobile whatsapp number 9871053111 and Vice president Shri. A.K.Gupta whatsapp mobile no. 9450395298. So that the idea of fund level can be get.

If due to shortage of funds, we are unable to engage Sr. Lawyer, and SLP admitted then it will be the responsibility of each and every member of ADTEA not the Central team.

Hope to get positive response from all corner and sides throught the country.

Uma Kant Joshi
