**Sub: Modification in the report of the Cadre Review Committee.**

Sir,

Please refer to the Cadre Review Committee reports submitted in your good office on dated 29.05.2009

ADTEA welcomes the move initiated by the Prasar Bharati for cadre review in regards to Subb. Engg. Employees and Engg. Employees. ADTEA submitted a modified proposal to Sh. R.K. Singh, CE(D) Chairman Cadre Review Committee for inclusion in the Cadre Review Committee Report, but some modification are left out due to reason best known to the management. We request you to kindly reconsider our request.

1. Clarification in regards to ACP has been inadvertently not placed in the report. The same should form part & parcel of the report
2. Promotion from AE to STS cadre :- It is recommended in the report that 33 % of Broadcast Executive will be entitled to the promotion of STS who posses the Diploma as the qualification. It will act as bar for the Broadcast Executive who posses the ITI qualification. Moreover both the associations had agreed to for removal of the bar.
3. The reduction in the post of JTS & STS have created confusion among the employees belonging to the category of AE'S. ADTEA has already requested to increase the numbers. However, after submitting the Modified Cadre Review proposal by ADTEA the chairman has increased the posts at level of STS but still there is scope to decrease the posts at Higher level i. e above STS so that the number of posts at the level of JTS+ STS could be increased further as proposed by ADTEA.
4. ADTEA also proposed the selection grade at various levels for immediate relief against promotion for the deprived cadres. We request you to kindly include the same.
5. ADTEA also proposed one time up gradation of incumbent AE'S in the grade pay of Rs. 6600, we request you to kindly reconsider the matter.  
The present Chief Engineer (D) may kindly be deputed to complete the task in the light of above stated facts & circumstances.

With regards,
