Subject: Resentment of ADTEA on recommendation of Cadre Review Committee.

Sir,

It is learnt that Prasar Bharati Board is proposed to take a final decision on report of Animesh Chakravarty and amended by Shyamal Sarkar Committee, constituted to Review promotional prospects of subordinate engineering employees.

But instead of providing better promotional prospects, the committee has taken various weird decision to exploit the present and future employees of AIR & DD.

It seems that committee member has not applied his kind attention for welfare of subordinate engineering staff before finalizing it's report.

It is further to intimate that if the report of Shyamal Sarkar committee is implemented by superseding the R.K.Singh committee report, the department has to suffer with a major resentment from employees of AIR & DD and association shall not take any responsibility if anything unforeseen happened.

We request you to please hear the view-point of ADTEA before finalizing Cadre Review of Subb. Engg. Employees.

Thanking you

Yours sincerely
