### Instructions to Members and Office bearers

As we are aware of that Central body of ADTEA is fully dedicated and leaving no stone unturned for the welfare of subordinate engineering cadre. The Central Body expect the same efforts from Units also. In this regard all units need to strengthen their inner democracy and unity.

All units need to conduct free and fair election on regular interval as per the "RSA Guidelines" of DoPT. So, if election is due in any unit must be conducted without any further delay and information must be sent to central office and zonal offices through e-mail and hard copy both. Zonal heads will be responsible to maintain the proper record of above.

All State Secretaries are advised to ensure its implementation according to rules and regulations of association.
