8.	Location of new site (for new projects) should be decided after taking Association in to confidence so that primary facilities could be checked at local level.	Location of new site for new projects is a technical matter. Association has nothing to do in selection of site. Association is concerned only to welfare of the staff.	The location of sites is decided by Ministry of I&B and Planning Commission. However Zonal CEs will ensure all basic amenities and facilities at the sites.	CE(SZ) is taking care of the aspect of basic amenities and facilities available at the sites, while selecting sites for new projects. <u>CE(SZ)</u>
9.	Compensatory appointment Mrs. R.Latha & Other matter as all the matters recently proposed are rejected.	The case of compassionate appointment to Smt. R. Latha is pending in the Supreme Court. Earlier case in CAT was decided in favour of Smt. R. Latha. The Department filed W.OP. in High Court of Kerala. The Department decided to file SLP in Supreme Court as the decision of the CAT was against the Orders of DOP&T dated 05.05.2003 in which it was stated that no appointment should be made after 3 years of death/consideration of the case. Hence the SLP was filed in Supreme Court.	Since the matter is subjudice and can be resolved only after the decision of the Court.  All attempts are being made to resolve the issue of compassionate ground appointment at the earliest.
