Dated:29.05.08

Subject: Opening of promotional channels to remove stagnation.

In the meeting held with CEO/DG:AIR on 15.01.08, ADTEA raised the above cited issue with regard to Subordinate Engineering Employees. The Cadre Review Committee has already been formed and the matter would be discussed in said meeting accordingly.

CEO/DG:AIR desired that reasons for stagnation should be identified in cadres where employees are not getting promotion even after completing long span of service and steps be taken to hold DPCs at the earliest wherever they were pending.

As Zonal Chief Engineers are holding DPCs of Helpers, Technicians, Sr. Tech, Engineering Assistants, Diesel Engine Driver, Diesel Tech. & Mast. Technician, all the Zonal CE's are requested to send the above information at the earliest for perusal of CEO/DG:AIR.
